LEADER Experience Exchange: Cooperation

La Granja de San Ildefonso (Segovia, Spain)
3rd and 4th of March 2026

File

Cooperation Project

Thematic area: Generational change

General information

- Project name: Host Village
- Promoting LAG: LAG START2020 srl
- Country/Region: Italy

Summary: The project's goal is to foster a model of urban regeneration in rural communities through the development of a model that incentivizes the development of long-term "residences" in rural areas.

Cooperation Project

Thematic area: Local products

General information

- Project name: Malvasia Myth
- Promoting LAG: PARNONAS S.A. – Organization For Local Development
- Country/Region: Greece

Summary: The aim of the “Malvasia Myth” cooperation project is to create and support a well-organized network of areas that produce Malvasia wine around the Mediterranean, creating tools, methodologies, international cooperations and international trademarks about the myth of Malvasia, combining the history, the cultural heritage and the wine.

Cooperation Project

Thematic area: Ecotourism

General information

- Project name: Terroir Wine Empowerment
- Promoting LAG: LAG Sulcis Iglesiente Capoterra e Campidano di Cagliari
- Country/Region: Italy / Sardinia

Summary: In the “Terroir Wine Empowerment” project, the central theme is wine understood as an ambassador of territories. The idea is to enable the wines and grape varieties of the different partners to become storytellers of their territories through the creation of an integrated and systemic enotourism offering.

Cooperation Project

Thematic area: Ecotourism

General information

- Project name: ARS Art in Rural Site
- Promoting LAG: LAG Sulcis Iglesiente Capoterra e Campidano di Cagliari
- Country/Region: Italy / Sardinia

Summary: The project aims to enhance the territories and their landscape through Land Art as a creative and interpretative process, involving local and international artists and schools, in order to positively change local communities' perception of their territory and rural or disused areas, raise awareness of environmental issues and the impact of human activities, and generate visibility and economic development through an additional cultural tourism offer.

Cooperation Project

Thematic area: Ecotourism

General information

- Project name: Raia Historica
- Promoting LAG: LAG Castelos do Côa – Raia Historica
- Country/Region: Portugal / Beira Interior Norte

Summary: The goal is to create useful tools to stimulate the connection between tourist attractions (culture, environment, landscape, etc.) and local communities, developing greater narrative skills and the authenticity of cultural tourism offerings.

Cooperation Project

Thematic area: Smart villages

General information

- Project name: Mining and Territory: Building alliances with social value
- Promoting LAG: Asociación para el Desarrollo Sostenible del Valle de Alcudia
- Country/Region: Spain

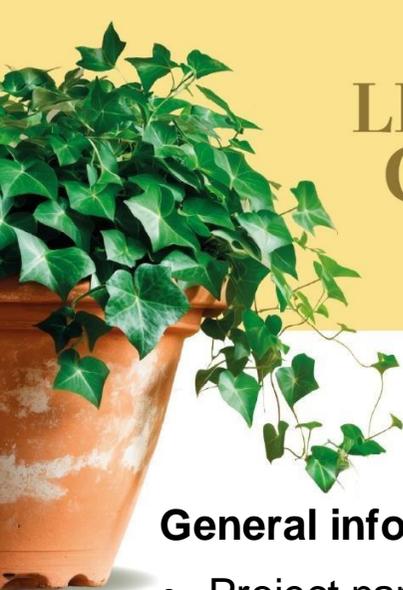

Summary: This is a cooperation initiative between territories to address the challenges linked to mining and its relationship with the territory, with a clear objective of generating social value. This is in line with proposals for territorial innovation, new forms of governance, collaboration and smart development in rural areas.

Cooperation Project

General information

- Project name: Living in Biosphere Reserves
- Promoting LAG: LAG ATTICA
- Country/Region: Greece

Summary: The project aims at the cooperation of LAGs in Mediterranean countries which intervention areas have been integrated in the UNESCO World Network of Biosphere Reserves (BR) in the last three years or are about to join and have common environmental and socio-economic characteristics.

Specifically, the project aims to strengthen local identity, social cohesion and sustainable entrepreneurship in BR areas, through the exploitation of their special environmental value as a development advantage.
