# Jornada Intercambio LEADER: Cooperación

La Granja de San Ildefonso (Segovia, España)  
3/4 de marzo de 2026

## In person:

- Host Village
- Malvasia Myth
- Rural Roots & Flavours
- Terroir Wine Empowerment
- ARS Art in Rural Site
- Cultural Identity
- Mining and Territory: Building alliances with social value
- Smart Rural Living: Vibrant rural areas, smart villages
- Living in Biosphere Reserves
- EU STork Route - European Network of Stork Villages and Communities
- Part of me - Strengthening rural-urban relationships

## Not present at the event:

- Food
- Sustainable tourism focused on sobriety
- The Silk Road: Silk production and commercial routes in rural areas of Europe
- Entrepreneurship
- Valorisation of farmers' contributions in terms of carbon sequestration, avoidance or reduction
- Creation of a local system for the collection and processing of human urine to transform it into natural fertilizers for agriculture
- Car-sharing and dynamic carpooling by connecting drivers and passengers in real-time without any booking
- Start Up Tracking
- Water, flood risk management and climate change adaptation
- The ecological and inclusive transition in mountain areas
- Energies
- Judo club meetings: Sports and cultural exchanges for young people
- Participatory rural governance: Strengthening LEADER strategies through public-private cooperation
- Culture and inclusion of neurodivergent audiences: Towards educationally inclusive rural territories
- Exchange of good practices between rural LAGs on multi-sector development

# File

## Cooperation Project

**Thematic area:** Generational change

### General information

- Project name: Host Village
- Promoting LAG: LAG START2020 srl
- Country/Region: Italy

**Summary:** The project's goal is to foster a model of urban regeneration in rural communities through the development of a model that incentivizes the development of long-term "residences" in rural areas.

## Cooperation Project

**Thematic area:** Local products

### General information

- Project name: Malvasia Myth
- Promoting LAG: PARNONAS S.A. – Organization For Local Development
- Country/Region: Greece

**Summary:** The aim of the “Malvasia Myth” cooperation project is to create and support a well-organized network of areas that produce Malvasia wine around the Mediterranean, creating tools, methodologies, international cooperations and international trademarks about the myth of Malvasia, combining the history, the cultural heritage and the wine.

## Cooperation Project

**Thematic area:** Local products

### General information

- Project name: Rural Roots & Flavours
- Promoting LAG: Gozo Action Group Foundation
- Country/Region: Malta / Gozo

**Summary:** This is a transnational cooperation project focusing on gastronomy; the concept of “roots and routes” aims to strengthen local identity through cooperation and gastronomy.

## Cooperation Project

**Thematic area:** Ecotourism

### General information

- Project name: Terroir Wine Empowerment
- Promoting LAG: LAG Sulcis Iglesiente Capoterra e Campidano di Cagliari
- Country/Region: Italy / Sardinia

**Summary:** In the “Terroir Wine Empowerment” project, the central theme is wine understood as an ambassador of territories. The idea is to enable the wines and grape varieties of the different partners to become storytellers of their territories through the creation of an integrated and systemic enotourism offering.

## Cooperation Project

**Thematic area:** Ecotourism

### General information

- Project name: ARS Art in Rural Site
- Promoting LAG: LAG Sulcis Iglesiente Capoterra e Campidano di Cagliari
- Country/Region: Italy / Sardinia

**Summary:** The aim of the project is to enhance the value of territories and their landscapes through Land Art as a creative and interpretative process, involving local and international artists and schools, with the aim of positively changing local communities' perceptions of their territory and rural or disused areas, raising awareness of environmental issues and the impact of human activities, and generating visibility and economic development through additional cultural tourism offerings.

## Cooperation Project

### General information

- Project name: Living in Biosphere Reserves
- Promoting LAG: LAG ATTICA
- Country/Region: Greece

**Summary:** The project aims at the cooperation of LAGs in Mediterranean countries which intervention areas have been intergrated in the UNESCO World Network of Biosphere Reserves (BR) in the last three years or are about to join and have common environmental and socio-economic characteristics.

Specifically, the project aims to strengthen local identity, social cohesion and sustainable entrepreneurship in BR areas, through the exploitation of their special environmental value as a development advantage.

## Cooperation Project

**Thematic area:** Local products

### General information

- Project name: Food
- Promoting LAG: Haute-Provence Luberon
- Country/Region: France / SUD - Provence Alpes Côte d'Azur

**Summary:** The objective of the Project is boosting food production potential and direct sales, promoting culinary heritage and multi-stakeholder governance, and exchanging methodologies for territorial food resilience. We are seeking a LAG or rural partnership with a strong agricultural identity to co-develop tools for resilient food systems. Partner Profile: Context: Diversified agriculture facing climate pressures and generational renewal. Strategy: Experience with Territorial Food Projects (PAT) or integrated food strategies. Focus: Strengthening food autonomy, short chains, and certified quality (PDO, PGI, organic).

## Cooperation Project

**Thematic area:** Ecotourism

### General information

- Project name: The Silk Road: Silk production and commercial routes in rural areas of Europe
- Promoting LAG: LAG DELTA 2000
- Country/Region: Italy / Emilia Romagna

**Summary:** This is a transnational cooperation project within the framework of the LEADER Local Action Plan (LAP) to reconstruct the routes and sites associated with historical trade along the Silk Road in Europe. It aims to focus on the relationships and itineraries of silk production and trade in Europe, drawing on historical sources and oral testimonies from key stakeholders to reconstruct the entire silk production chain and contribute to the organisation and promotion of a cultural itinerary of the Silk Road in Italy and Europe, promoting rural areas.

## Cooperation Project

### General information

- Project name: Judo club meetings: Sports and cultural exchanges for young people
- Promoting LAG: Coeur Entre deux Mers
- Country/Region: France / Nouvelle Aquitaine

**Summary:** The aim of the project is to promote cooperation and youth exchange between territories through sport. A village in our LAG (Tresses) is twinned with the town of Fuenmayor, in the Rioja Alta LAG. Its judo club will organise a trip with young people to Fuenmayor in May for a sports competition. Cooperation could be based on this first meeting, creating sporting, civic and cultural exchanges aimed at young people who are members of judo clubs in our territory (and possibly other sports).

## Cooperation Project

### General information

- Project name: Participatory rural governance: Strengthening LEADER strategies through public-private cooperation
- Promoting LAG: Grand Bergeracois
- Country/Region: France

**Summary:** The cooperation project aims to strengthen rural governance through structured public-private collaboration within LEADER strategies. In the Grand Bergeracois territory, the LAG works closely with the development council of the Grand Bergeracois. The development council is a consultative body composed of local actors and civil society representatives that provides recommendations and fosters dialogue between local authorities and private stakeholders to co-construct rural development strategies.
